EDITORIAL

Dear Colleagues, Dear Friends,

For more than 40 years (1st Edition of Mundiavocat in 1983 in Marrakech, Morocco) we have been offering you the opportunity to participate in the Lawyers World Football Cup and its continental variations in Africa, America, Asia and Europe. Time has passed and we have had the chance during this period to welcome hundreds of Football Lawyers teams belonging to more than 80 different nationalities.

Thanks to these fraternal sports meetings, there is no place in the world where we are without our lawyer friends.

From Vancouver to Jakarta, from Seoul to Santa Fe, from Vilnius to Abidjan, from Trinidad to Malta, from Baku to Sao Paulo... wherever we travel, we have colleagues to meet and talk about the incredible legend of Mundiavocat.

2024 was an incredible year with 4 fantastic tournaments organized all over the world. Starting with the 5th AsiaLawyers in Cambodia followed by 7th AmericaLawyers in Panama and 9th EuroLawyers in Balearics Island and concluded by one of the greatest Mundiavocat ever held in Dubai in December. More than 160 teams from 55 different countries in total this year: Thank you !

At CSO, innovation is our watchword and our ambition is always to find the right formula to offer you incredible events.

While this year 2025 is dedicated to continental tournaments (AmericaLawyers in Uruguay, AsiaLawyers in Thailand), we have decided to innovate once again for the tournament planned in Europe.

Having fallen under the spell of the Pula/Medulin infrastructure, we thought it impossible to deny this opportunity to other continents. So in 2025 there will be no EuroLawyers, but a Nations Cup open to everyone.

More teams and even more fun for this 2nd edition after Saint-Tropez 2023, where you were 87 teams present in the 6 tournaments organised.

Welcome to Pula/Medulin, welcome to Nations Cup 2025!

This tournament will take place in Pula/Medulin in Croatia and on the Adriatic Sea. It will also be a World Football Cup for Lawyers, but of shorter duration: 5 days.

The company that owns the different categories of accommodation that we offer you (hotel, apartments, mobil-homes) also owns the 6 football fields that we will use (4 natural grass and 2 artificial) all in perfect condition.

All participants housed in the same leisure area, at the water's edge, areas grouped together and accessible on foot from our accommodation, undoubtedly one of the most beautiful sites on the Adriatic coast... nothing is missing to achieve an incredible Nations Cup in these very charming Croatian holiday villages in Istria, Pula and Medulin.

Rest assured that with CSO team we are working hard to ensure that the party is memorable in terms of hospitality, comfort, football and international sporting fraternity.

See you soon in Croatia!

CONDITIONS OF REGISTRATIONS

Published 20 December 2024.

The organisation reserves the right to amend the terms and conditions of these rules. Please check our website www.mundiavocat.com regularly for the latest terms and conditions.

1 – TEAM REGISTRATION

1.1. The tournament is open exclusively to teams of lawyers from law firms, groups of law firms and legal professionals (notaries, magistrates, judges and graduates of higher legal studies)

1.2. Each team must consist of:

- 11-a-side football: 13 to 26 players
- 5-a-side football: 6 to 13 players

2 – PLAYER QUALIFICATION

2.1. Team formation

All teams shall be constituted in accordance with the following rules.

Subject to the exceptions set out in clause 2.2 below, players must be:

- lawyers registered (or previously registered) with a bar association
- magistrates, notaries and graduates of higher legal studies
- holders of a post-graduate legal or judicial diploma
- legal trainees aged over 23 (born before 31.12.2001), with a limit of 2 per team.

2.2 Principles of exemption

Exceptions may be made for permanent employees of law firms, notaries or the various courts. The number of exceptions may not exceed 3 players per team in 11-a-side tournaments and 2 players per team in 5-a-side tournaments.

In this case, a list of "exempt" and "non-exempt" players must be submitted, together with an employment certificate confirming that the exempt players are in fact permanent employees of the firm. These employees must be over 30 (born before 31/12/1995) in Classic & Five tournaments, over 35 in Master tournaments (born before 31/12/1990), over 45 in Legend tournaments (born before 31/12/1980) and over 55 in Super Legend tournaments (born before 31/12/1970).

2.3 Validation of exemptions

No request for exemption can be submitted and therefore accepted for a person who plays or has played football for a professional or semi-professional club, or for any other paid club. To be valid, requests for exemption must be sent to Vincent Pinatel, lawyer and co-founder of Mundiavocat, no later than 30 days before the start of the tournament. All the above conditions for exemption are essential but not sufficient to guarantee exemption. The final decision rests with the Tournament Committee, composed of Mr Pinatel and Mr Pagnier (Tournament Director).
